

Story fun

Helen, the museum assistant, lost three things yesterday. Can you find them? Here are some clues.

- 1 I am the colour of the sun. Use me to open doors.
- 2 I am clever. I help people know the time.
- 3 I am dangerous. Knights carry me and fight battles with me.

Help Helen to tidy the room. Find six things to put on the two empty shelves. Four things start with the letter 't'. Two start with the letter 'p'.
