Reading

Good morning everyone! Today we're going to visit some of the most interesting tourist sights in the city. The first place we're going to is the Tower of London. It's one of the oldest places in London. Kings and queens lived there long ago, but today it's a museum. A guide will show you the Tower, and you'll learn a lot about England's history there. Then in the afternoon, we're going on the famous London Eye. This is a very big wheel. You'll travel round and you'll see all of London from the top.

It's going to be a lovely day today, not as cloudy as yesterday, so you'll see a lot of interesting places. But it will be quite cold, so please wear a warm sweater, or a scarf and gloves. And wear trainers because we're going to walk a lot today. Are you ready? Let's go!
