My Dream House

by Nick Mallory, Class 6A

In my dream house there aren't a lot of rooms, but there's a fantastic bedroom for me. It isn't very big, but it's great! It's got an amazing bed. The bed isn't on the ground. You can stand under it because it's tall. Under the bed there's a desk with a computer and a chair. There's a TV on the wall opposite my bed. I can sit in bed and watch it! I've got a lot of DVDs and CDs, and they are all on the shelves on the walls. There are lots of books, but there aren't any school books. I do my homework in the kitchen! I can do other things in my bedroom too. I've got a table tennis table, a guitar and a piano.

Near the window, there's a little fridge. There are a few cold drinks in it, some fruit and a lot of water.

I've got a bathroom next to my bedroom – and it's only for me! I can have a bath and a shower there.
