Hi Jodie!

We're having a great holiday here in Spain. Our hotel is next to the sea. Every morning I wake up and go for a swim. After that, I have breakfast. The food is great here! I'm always hungry because we do a lot of sports every day. This afternoon I'm playing beach volleyball with some other kids at the hotel. It's fun. Sometimes someone throws the ball into the sea! Then we swim to get it. I'm also learning to ride a horse. Every evening we go for a ride on the beach. Tomorrow we're catching a bus to the next town. There are some fantastic shops there, and I want to buy you a present!

What are you doing right now? Is it raining in England? It never rains here!

Love, Karen
